

Breathe Again

Toni Braxton

If I never feel you in my arms again
If I never feel your tender kiss again
If I never hear "I love you" now and then Will I never make love to you once again?
Please understand, if love ends
Then I promise you, I promise you That, that I shall never breathe again
Breathe again That I shall never breathe again
And I can't stop thinkin' about
About the way things used to be
And I can't stop thinkin' about
About the love that you make to me
And I can't get you out of my head
How in the world will I begin
To let you walk right out my life
And blow my heart away
And I can't stop carin' about About the apple of my eye
And I can't stop doin' without
Without the center of my life And I can't get you out of my head
And I know I can't pretend
That I won't die if you decide
You won't see me again
If I never feel you in my arms again
If I never feel your tender kiss again
If I never hear "I love you" now and then
Will I never make love to you once again?
Please understand, if love ends
Then I promise you, I promise you That, that I shall never breathe again
Breathe again
That I shall never breathe again
And I can't stop thinkin' about About the way my life would be
No, I can't stop thinkin' about How could your love be leavin' me And I can't get you out of my
mind
God knows how hard I tried
And if you walk right out my life God knows I'd surely die
And I can't stop doin' without
Without the rythm of my heart
No, I can't stop doin' without For I would surely fall apart
And I can't get you out of my mind
'Cause I know I can't deny
And I would die if you decide
You won't see me again
If I never feel you in my arms again
If I never feel your tender kiss again

If I never hear "I love you" now and then
Will I never make love to you once again?
Please understand if love ends
Then I promise you, I promise you
That, that I shall never breathe again
Breathe again
That I shall never breathe again
That I shall never breathe again
Breathe again
That I shall never breathe again
breathe again...
