

Brand New Day

Sting

How many of you people out there
Been hurt in some kind of love affair?
And how many times did you swear
That you'd never love again?
How many lonely, sleepless nights?
How many lies, how many fights?
And why would you want to
Put yourself through all of that again? Love is pain I hear you say
Love is a cruel and bitter way of
Paying you back for all the faith you ever had in your brain
How could it be that what you need the most
Can leave you feeling just like a ghost?
You never want to feel so sad and lost again One day you could be looking
Through an old book in rainy weather
You see a picture of her smiling at you
When you were still together
Or you could be walking down the street And who should you chance to meet?
But that same old smile you've been thinking of all day? Why don't we turn the clock to zero
honey
I'll sell the stock we'll spend all the money
We're starting up a brand new day Turn the clock all the way back
I wonder if she'll take me back
I'm thinking in a brand new way Turn the clock to zero sister
You'll never know how much I missed her
I'm starting up a brand new day
Turn the clock to zero boss
The rivers wide we'll swim across
We're starting up a brand new day It could happen to you
Just like it happened to me
There is simply no immunity
There's no guarantee I say love is such a force if you find yourself in it
You need some time for reflection
You say, baby wait a minute, wait a minute
Turn the clock to zero honey
I'll sell the stock we'll spend all the money We're starting up a brand new day
Turn the clock to zero Mack
I'm begging her to take me back
I'm thinking in a brand new way
Turn the clock to zero boss
The river's wide we'll swim across We're starting up a brand new day
Turn the clock to zero buddy
Don't wanna be no fuddy duddy

We're Starting up a brand new day
I'm the rhythm in your tune
I'm the sun and you're the moon I'm the bat and you're the cave
You're the beach and I'm the wave
I'm the plough and you're the land
You're the glove and I'm the hand
I'm the train and you're the station
I'm the flagpole to your nation
I'm the present to your future
You're the wound and I'm the suture
You're the magnet to my pole
I'm the devil in your soul
You're the pupil I'm the teacher
You're the church and I'm the preacher
You're the flower I'm the rain
You're the tunnel I'm the train
Stand up all you lovers in the world
Stand up and be counted, every boy and every girl
Stand up all you lovers in the world
We're starting up a brand new day
You're the crop to my rotation
You're the sum of my equation
I'm the answer to your question
If you follow my suggestion
We can turn this ship around
We'll go up instead of down
You're the pan and I'm the handle
You're the flame and I'm the candle
I'm the bee and you're the flower
You're the princess in the tower
I'm the mast and you're the sail
I'm the hammer your the nail)
Stand up, all you lovers in the world
Stand up and be counted, every boy and every girl
Stand up, all you lovers in the world
We're starting up a brand new day
