Don't Mess With the Radio

Nivea

One, don't mess with the radio
Two, don't tell me which way to go
Three, just leave it up to me cause
Four, you ridin with a pro
Five, you gotta leave it all behind
Six, we bout to get up in the mix now
Seven, everyday is a blessing

Eight, don't make no mistake about oneI'm just riding out trying to figure out What's up, this feeling can't be controlled

Trying not to look so fly and it's 3: 25 but I'm ready to roll

Cause I've been waiting all week just to find

A party just to get out and jam My destination's unclear

Cause I know the party's wherever I am

One, don't mess with the radio

Two, don't tell me which way to go

Three, just leave it up to me cause

Four, you ridin with a pro

Five, you gotta leave it all behind

Six, we bout to get up in the mix now

Seven, everyday is a blessing

Eight, don't make no mistake about oneNow that the hour is nine, time to check for this dime

Breakin hearts at the door

No time for standing in line

The beat is playin in my spine and I can't take it no more

Throw your hands up, let's cut this rug up

And party like it ain't no thang

We can do it all night til the daylight

No, it ain't no shame in my game, yeah

One, don't mess with the radio

Two, don't tell me which way to go

Three, just leave it up to me cause

Four, you ridin with a pro

Five, you gotta leave it all behind

Six, we bout to get up in the mix now

Seven, everyday is a blessing

Eight, don't make no mistake about one(One) Don't mess with the radio
