Overboard (feat. Jessica Jarrell)

Justin Bieber

It feels like we've been out at sea
Oh
So back and forth that's how its seems
Whoa
And when I want to talk
You say to me
That if its meant to be
It will be
Ohhohhhoh
So crazy is this thing
We call love
And now that we've got it we just can't give up
I'm reaching out for you
Got me out here in the water and I
I'm overboard
And I need your love
Pull me up
I cant swim on my own
It's too much
Feels like I'm drowning without
Your love
So throw yourself out to me
My life saver
(Life saver Oh life saver)
My life saver
(Life saver Oh life saver oh)
Wow
I Never understood you when you'd say
Oh
You wanted me to meet you half way
Oh
Felt like I was doing my part
You kept thinking you were coming up short
Funny how things change
Cause now I see
Oh Wow
So crazy is this thing
We call love
And now that we've got it
We just can't give up
I'm reaching out for you
Got me out here in the water and I

I'm overboard (overboard)
And I need your love
Pull me up
I can't swim on my own
It's too much (It's too much)
Feels like I'm drowning (Ooh)
without your love
So throw yourself out to me
My life saver
Oh
It's supposed to be some give and take I know
But your only taking and not giving any more
So what will I do?
(So what will I do?)
Cause I still love you
You're the only one who can save me
Whoa
Whoa
Whoa
Oh
I'm overboard
And I need your love
Pull me up (Pull me up)
I cant swim on my own
It's too much (It's too much)
Feels like I'm drowning
Without your love
So throw yourself out to me (Can't swim)
My life saver
(Life saver, Oh life saver)
My life saver
(It's crazy, crazy crazy)
(Life saver Oh life saver)
Life saver Oh
My life saver
(Life saver Oh life saver)
Yeah
