

Give 'Em Hell, Kid

My Chemical Romance

Oh baby here comes the sound! I took a train outta New Orleans
And they shot me full of ephedrine
This is how we like to do it in the murder scene
Can we settle up the score? If you were here
I'd never have a fear
So go on live your life
But I miss you more than I did yesterday You're beautiful! Well, I'm a total wreck and almost
every day
Like the firing squad or the mess you made
Well, don't I look pretty walking down the street
In the best damn dress I own?
If you were here
I'd never have a fear
So go on live your life
But I miss you more than I did yesterday
You're so far away
So c'mon show me how
'Cause I mean this more than words could ever say Some might say
We are made from the sharpest things you'd say
We are young and we don't care (Oh wah-oh)
Your dreams and your hopeless hair (Oh wah-oh)
We never wanted it to be this way
For all our lives Do you care at all?
If you were here
I'd never have a fear
So go on live your life
But I miss you more than I did yesterday
You're so far away
So c'mon show me how
'Cause I mean this more than words could ever say (What'd you call me?)
(Well, there's no way I'm kissing that guy!) Well come on, come on, come on, come on, come on
Yeah
