

You Lay a Whole Lot of Love On Me

Shania Twain

I can feel your body, tugging gently on my mind
Stirring up a feeling, I thought I'd never find
Ever since I met you, babe, I've been living in a dream
You lay a whole lot of love on me
A whole lot of love on me I get warm all over, when you get close to me
Then I start to tremble, from my head down to my feet
I become your peice of clay, to do with what you please
You lay a whole lot of love on me
A whole lot of love on me You lay a whole lot of love on me
A love I thought, could never be
Let the whole world fall apart, you're all I'll ever need
You lay a whole lot of love on me
A whole lot of love on me
You lay a whole lot of love on me
A whole lot of love on me
