

GOMF (feat. BRIDGE)

DVBBS

[Verse 1]

So you wanna live long, so you wanna be free?
Baby, running out of time, that's a really bad beat
I mean, she wanna play hard to get, that's fine by me
By me, but I never wait long, I move on to what I need[Chorus]

I get my way, get out my way (ay)
Switch my plates, I'm on my way (yeah)
No mistakes, I know the stakes (ye-yeah)
I don't show face, I keep my pace (yeah)
I don't show face, I keep my pace (yeah)
I get my way, get out my way (yeah)
I don't show face, I keep my pace (yeah)
I get my way, get out my way (yeah)
I get my way, get out my way (yeah)
I get my way, get out my way (yeah yeah)
She on my waist, she on my waist (yeah yeah)
I get my way, get out my way

[Verse 2]

Gold crown while I'm down on my knees
That's me, I don't talk down I just move how I need
Ole hit it one time now she going both ways
You know who's in control
All that bullshit gets hold of you[Chorus]
I get my way, get out my way (yeah)
Switch my plates, I'm on my way (yeah)
No mistakes, I know the stakes (ye-yeah)
I don't show face, I keep my pace (yeah)
(Go psycho babe)
I get my way, get out my way (yeah)
I get my way, get out my way (yeah)
She on my waist, she on my waist (yeah yeah)
I get my way, get out my way

[Hook]

Comin in to my life
You know, nana
Two drinks and I'm low babe, I'm all for that
Don't leave when I'm on, you know you wrong for that
At least when I'm home, you no longer there
Yeah you my demon(?), you no longer there[Chorus]
I get my way, get out my way (yeah)
I get my way, get out my way (yeah)
She on my waist, she on my waist (yeah yeah)
