

On Parole

Sister Sin

Little by little my love
Each day inch by inch we fade away
Screw all the matters, save the end
Better start breathing, stop pretend
Out of the blue as a long lost child
Into the black running wild
Beat up & bruised but hey I'm alright yeah I'll stray
Feel it's trembling wild
You've predicted a war inside of my mind
Red-on! Alright!
I'm on parole and killing time
You've predicted a war inside of my mind
Red-on! Alright!
I'm on parole and killing time
Back on demand for sure
It's you who justify my point of view
Caught up in dreaming, I'm aware
High on devotion & I don't care
Out of the blue as a long lost child
Into the black running wild
I'm on the loose but I'm still alright yeah I'll stray
Feel it's trembling wild
You've predicted a war
inside of my mind
Red-on! Alright!
I'm on parole and killing time
You've predicted a war inside of my mind
Red-on! Alright!
I'm on parole and killing time
I'm on my way to go now
I'm on my way, I'm on my way
Feel it's trembling wild
I'm on parole & I'm
Red-on! Alright!
With war inside my mind
I'm on parole & I'm
Red-on! Alright!
With war inside my mind
