

# Wings of a Butterfly

HIM

Heaven ablaze in our eyes  
We're standing still in time  
The blood on our hands is the wine  
We offer as sacrifice Come on, and show them your love  
Rip out the wings of a butterfly  
For your soul, my love  
Rip out the wings of a butterfly  
For your soul  
This endless mercy mile  
We're crawling side by side  
With hell freezing over in our eyes  
Gods kneel before our crime Come on lets show, them your love  
Rip out the wings of a butterfly  
For your soul, my love  
Rip out the wings of a butterfly  
For your soul  
(Rip out the wings of a butterfly)  
Don't let go  
(Rip out the wings of a butterfly)  
For your soul  
Come on, and show them your love  
Rip out the wings of a butterfly  
For your soul, my love  
Rip out the wings of a butterfly  
For your soul  
(Rip out the wings of a butterfly)  
Don't let go  
(Rip out the wings of a butterfly) For your soul
