

Are You Lonely for Me Baby

Otis Redding & Carla Thomas

Are you lonely for me, baby? Are you lonely for me, baby? It's my last train, y'all, Jacksonville
gotta get on it, baby, you know I will now Will you try? Just come on and try To forget all the
pain that I brought you Go on and cry, go ahead and just cry, cry, baby I know I'm the one who,
who, who taught you, yeah To be lonely, baby I'm lonely and blue Hey, I'm lonely, baby And I'm
lonely for you Are you lonely for me, baby? Are you lonely for me, baby? It's your last buck to
Jacksonville

Are you my sweet baby, are you still? I'll tell my friend it's the end That you'll never again desert
me That man is going laughing I can just hear him laugh, honey H would say that I was wrong to
just hurt you But he's lying, baby, and then I'm sorry too Yeah, I'm lonely, baby Yes, I'm lonely
for you, yeah, that's strange Are you lonely for me, baby? Are you lonely for me, baby? Are you
lonely, lonely for me, baby now? It's a long ride to Jacksonville But no one will ever know the
way I feel Will you be there, baby, will you just be there? When I, when I, when I, when I get
down from that train, girl? Yes, I'm gonna be there

Said I'm gonna be there You know I got to be there 'Cause I wanna see you there Ohh, I'm lonely,
baby Lonely and blue Yeah, and I'm lonely, baby I'm lonely for you Are you lonely for me,
baby? Are you lonely for me, baby? Are you lonely for me, baby? Come on home to me, baby
