

# Bloody Valentine

## Machine Gun Kelly

The simulation just went bad, but you're the best I ever had  
Like hand prints in wet cement, she touch me, it's permanent  
In my head, in my head, I couldn't hear anything you said, but  
In my head, in my head, I'm callin' you 'girlfriend,' what the fuck? I don't do fake love, but I'll  
take some from you tonight  
I know I've got to go, but I might just miss the flight I can't stay forever, let's play pretend  
And treat this night like it'll happen again  
You'll be my bloody valentine tonight I'm overstimulated and I'm sad, I don't expect you to  
understand  
There's nothing less than true romance, or am I just makin' a mess?  
In my head, in my head, I'm lyin' naked with you, yeah  
In my head, in my head, I'm ready to die holding your hand I don't do fake love, but I'll take  
some from you tonight (Take some from you tonight)  
I know I've got to go, but I might just miss the flight  
I can't stay forever, let's play pretend  
And treat this night like it'll happen again  
You'll be my bloody valentine tonight I can't hide how I feel about you  
Inside, I gave everything up  
Tonight, if I could just have you  
Be my, be my, baby  
I can't hide how I feel about you (I cannot hide these feelings)  
Inside, I gave everything up (I cannot hide these feelings)  
Tonight, if I could just have you (I gave up everything for you)  
Be my, be my (I gave up everything), ayy I don't do fake love, but I'll take some from you  
tonight (Take some from you tonight)  
I know I've got to go, but I might just miss the flight I can't stay forever, let's play pretend  
And treat this night like it'll happen again  
You'll be my bloody valentine tonight  
Na-na-na, na-na-na, na-na-na (Just tonight)  
Na-na-na, na-na-na, na-na-na (Just tonight)  
Na-na-na, na-na-na, na-na-na (Just tonight)  
Na-na-na, na-na-na, na-na-na (Just tonight)  
Were we on two track?
