

Gold Dust (feat. Semma)

King Henry

Liquid gold runs through our veins

Makes us unstoppable

Super human, out of this world

? you really need to lose it all

Don't you dare give up on us

I'm telling on you

Telling on you

Place your arms around my waist

And just hold on to me

Tonight I want all of your love

Scream til you can't get enough

Tonight I want all of your love

Scream til you can't get enough

Cause they can't be like us, we're like gold dust

They can't love like us, we're like

Cause they can't be like us, we're like gold dust

Cause they can't be like us, we're like

Gold

Gold, Gold

If they can't be like us, we're like gold dust

They can't love like us, we're like

Touch us and you'll see baby my dust

Cause they can't be like us, we're like

Gold

Gold

When you gonna find a heart as pure as mine

Super powers side by side, baby you and I

Love you like a bullet baby loves a gun

This feels dangerous, but ain't that half the fun

Tonight I want all of your love

Scream til you can't get enough

Tonight I want all of your love

Scream til you can't get enough

Cause they can't be like us, we're like gold dust

They can't love like us, we're like

Cause they can't be like us, we're like gold dust

Cause they can't be like us, we're like

Gold

Gold, Gold

If they can't be like us, we're like gold dust

They can't love like us, we're like

Touch us and you'll see baby my dust

If they can't be like us, we're like

Gold

Gold

They can't be like us, we're like gold dust

They can't love like us, we're like

Touch us and you'll see baby my dust

They can't be like us, we're like
