Doin' that shit in the mirror  
She doin' her shit in the mirrorPostin' them lies on the gig  
Cameras steal like a pair of leaches (Yeah)  
You seen her with me yeah she nasty and freaky  
You better believe it  
Occasionally drippin' an' ridin' her wave  
Is makin' them seasick (Uh)  
The baddest of bitches that sneakin' a picture  
Would make 'em delete it  
I be in Vegas increasin' my worth  
'Cause dealers keep thinkin' we cheatin'  
She get drunk on bottle two  
And fuck 'em, took 'em pity  
She be stuck up in a mirror  
'Cause he took her CD (Yeah!)  
She keep recordin' and moanin' but  
Man this shit hotter than pheonix  
My lil' baby she drive a Mercedes G Wagon  
I'm not even braggin', yeah  
Persian like Aladdin, she ride that shit like she Jasmine  
Cool hearts on my jacket, boy what you talkin' my fashion?  
Yeah they thought I was racketeerin'  
The way I been bringin' these racks in yah!She shakin' that shit like Shakira  
She shakin' that shit like Shakira  
Doin' that shit in the mirror  
Keep doin' that shit in the mirror  
My diamonds can't get any clearer  
My bank account pullin' them zeros  
I'm sackin' 'em wait 'til I seal 'em  
I'm packin' so loud I can't hear ya  
She shakin' that shit like Shakira  
Shakin' that shit like Shakira  
I'm checkin' the rug of Sevilla  
Lil', she one in a million  
Doin' that shit in the mirror  
She doin' her shit in the mirror  
Shakin' that shit like Shakira  
She shakin' that shit like Shakira  
Couldn't rig this shit mistress a zillion

Watch me eat that shit up like a Prilgrim

And this now I'm fresh in the William

She say she never been in America  
Like a baller to gear I'ma tear it up  
Just one look at the milks I'ma fell in loveShe shakin' that shit like Shakira
