

Fool's Gold

One Direction

[Verse 1: Niall]

I'm like a crow on a wire
You're the shining distraction that makes me fly home
I'm like a boat on the water
You're the raise on the waves that calm my mind, oh, every time

[Pre-Chorus: Harry]

But I know in my heart
You're not a constant star

[Chorus: Harry & All]

And yeah, I let you use me from the day that we first met
But I'm not done yet, falling for you
Fool's gold
And I knew then, you turned it on for everyone you met
But I don't regret falling for you
Fool's gold

[Verse 2: Liam]

I'm the first to admit that I'm reckless
I get lost in your beauty and I can't see, two feet in front of me

[Pre-Chorus: Louis]

And I know in my heart
You're just a moving part

[Chorus: All]

And yeah, I let you use me from the day that we first met
But I'm not done yet, falling for you
Fool's gold
And I knew then, you turned it on for everyone you met
But I don't regret falling for you
Fool's gold

[Bridge: Zayn]

Yeah, I know your love's not real
That's not the way it feels, that's not the way you feel

[Chorus: All]

And yes, I let you use me from the day that we first met

But I'm not done yet, falling for you
Fool's gold
And I knew then, you turned it on for everyone you met
But I don't regret falling for you
Fool's gold
