

# Can't Take It From Me (feat. Skip Marley)

## Major Lazer

If someone made you believe  
You've reached all you can be  
So much that you can't see that I see  
You can't take the light from the sun  
You can't take the waves from the ocean  
You can't take the wind from the trees  
No you can't take the love out of me yeah  
No matter what they do  
No matter what they say  
No matter how they try  
No matter which way  
No matter what they do  
You can't take it from me  
No matter what they say  
You can't take it from me  
No matter how they try  
You can't take it from me  
No matter which way  
Can't take it from me Yeah  
No no no  
Come on and You take it from me Whoa  
If another heart was in need  
Would you help them to their feet?  
Or would you watch them bleed?  
While you bleed  
You can't take the light from the sun  
You can't take the waves from the ocean  
You can't take the wind from the trees  
No you can't take the love out of me yeah  
No matter what they do  
No matter what they say  
No matter how they try  
No matter which way  
No matter what they do  
You can't take it from me  
No matter what they say  
You can't take it from me  
No matter how they try  
You can't take it from me  
No matter which way  
Can't take it from me Can't take it from me (Yeah)  
Can't take it from me (Oh)  
Can't take it from me (No no no)  
Can't take it from me (Come on and)  
Can't take it from me  
There's no way  
You take it from me

Whoa  
Can't take it from me
