

# Seven Deadly Sins

## Flogging Molly

Sail away where no ball and chain  
Can keep us from the roarin' waves  
Together undivided but forever we'll be free  
Said sail away aboard our rig  
The moon is full and so are we  
Seven drunken pirates  
We're the seven deadly sins

So the years rolled by and several died  
And left us somewhat reelin'  
Johnny strummed his Tommy gun  
Left blastin' through the ceiling  
What became of rebels  
Who sang for you and me?  
Grapplin' with their demons  
In the search for liberty

Sufferers who suffer all  
Can swim upon the desert  
Avarice have ravaged all  
In spite of good intentions  
Don't fill your mouth with gluttony  
For pride will surely swell  
But nothing's unforgiven in the four corners of hell

So sail away where no ball and chain  
Can keep us from the roarin' waves  
Together undivided but forever we'll be free  
Sail away aboard our rig  
The moon is full and so are we  
Seven drunken pirates  
We're the seven deadly sins  
Seven drunken pirates  
We're the seven deadly sins

Envy and its evil twin  
It crept in bed with slander  
Idiots they gave advice  
But sloth it gave no answer  
Anger kills the human soul

With bitter tales of lust  
Like Pavlov's dogs keep chewin'  
On the legs they never trust

Sail away where no ball and chain  
Can keep us from the roarin' waves  
Together undivided but forever we'll be free  
Sail away aboard our rig  
The moon is full and so are we  
Seven drunken pirates  
We're the seven deadly sins  
We're seven drunken pirates  
We're the seven deadly sins (Yargh!)

(Haha!)

But it's the only life we'll know  
Blaggards to the bone  
So don't wreck yourself  
Take an honest grip  
For there's more tales beyond the shore

Ah the years rolled by and several died  
And left us somewhat reelin'  
In and out came crawlin' out  
And spewed upon the ceiling  
What became of rebels  
That sang for you and me?  
Grapplin' with their demons  
In the search for liberty

Sail away where no ball and chain  
Can keep us from the roarin' waves  
Together undivided but forever we'll be free  
So sail away aboard our rig  
The moon is full and so are we  
Seven drunken pirates  
We're the seven deadly sins

Sail away where no ball and chain  
Can keep us from the roarin' waves  
Together undivided but forever we'll be free  
So sail away aboard our rig  
The moon is full and so are we  
Seven drunken pirates  
We're the seven deadly sins  
Seven drunken pirates  
We're the seven deadly sins  
Seven drunken pirates

We're the seven deadly sins
