

# Holding On (feat. Gregory Porter)

## Disclosure

Weight of love on my shoulders  
I thought that it would be easier than this  
I found my heart had grown colder  
But the warmth of your kiss, I can't dismiss Though my past has left me bruised  
I ain't hiding from the truth  
When the truth won't let me lie right next to you But it's holding on  
And it's holding strong  
Even though I tried to make it  
Played the part, but I can't fake it  
It keeps holding on  
And it's holding strong  
Even though I tried to break it  
Heaven knows that I can't shake it  
But it's holding on  
And it's holding strong  
Even though I tried to make it  
Played the part, but I can't fake it  
It keeps holding on  
And it's holding strong  
Even though I tried to break it  
Heaven knows that I can't shake it  
Shake it, sh-shake it  
Shake it, sh-shake it  
Shake it, sh-shake it  
Shake it, sh-shake it  
Shake it, sh-shake it  
Shake it, sh-shake it  
Shake it, sh-shake it  
Shake it, sh-shake it  
It keeps holding on and on  
It keeps holding on and on  
It keeps holding on and on  
It keeps holding on and on I've seen times that were harder  
I remember the taste of bitterness  
Won't you help me, my father?  
Help me fall in the love that I have missed  
Though my past has left me bruised  
I ain't hiding from the truth  
When the truth won't let me lie right next to you But it's holding on  
And it's holding strong  
Even though I tried to make it  
Played the part, but I can't fake it

It keeps holding on  
And it's holding strong  
Even though I tried to break it  
Heaven knows that I can't shake it  
But it's holding on  
And it's holding strong  
Even though I tried to make it  
Played the part, but I can't fake it  
It keeps holding on  
And it's holding strong  
Even though I tried to break it  
Heaven knows that I can't shake it Shake it, sh-shake it  
Shake it, sh-shake it  
Shake it, sh-shake it  
Shake it, sh-shake it  
Shake it, sh-shake it  
Shake it, sh-shake it  
Shake it, sh-shake it  
Shake it, sh-shake it  
It keeps holding on and on  
It keeps holding on and on  
It keeps holding on and on  
It keeps holding on and on  
Shake it, sh-shake it  
Shake it, sh-shake it  
Shake it, sh-shake it  
Shake it, sh-shake it  
Shake it, sh-shake it  
Shake it, sh-shake it  
Shake it, sh-shake it  
Shake it, sh-shake it  
It keeps holding on and on  
It keeps holding on and on  
It keeps holding on and on  
It keeps holding on and on
