

M.I.A.

Avenged Sevenfold

Staring at the carnage, praying that! the sun would never rise
Living another day in disguise
These feelings can't be right
lend me your courage to stand up and fight, on tonightOhhhh...
Stand up and fightThe fighting rages on and on, to challenge me you must be strong.
I walk your land but don't belong, two million soldiers can't be wrongIt's no fun but I've been
here before
I'm far from home and I'm fighting your war
(Not the way I pictured this, I wanted better things)
Some are scared others killing for fun
I shot a mother right in front of her son
(Take this from my consciousness and please erase my dreams)
Fight for honor, fight for your life
Pray to God that our side is right
Although we won I still may lose, until I make it home to you
I see our mothers filled with tears
grew up so fast where did those years go?
Memories won't let you cry, unless I don't return tonightSo many soldiers on the other side
I take their lives so they can't take mine
(Scared to make it out alive now, murder's all I know)
Nobody tells me all the reasons we're here
I have my weapon so there's nothing to fear
(Another day, another life, but nothing real to show for)Fight for honor, fight for your life
Pray to god that our side is right
Although we won I still may lose, until I make it home to you
I see our mothers filled with tears
grew up so fast where did those years go?
Memories won't let you cry, unless I don't return tonight
Staring at the carnage, praying that the sun would never rise
Living another day in disguise
These feelings can't be right
lend me your courage to stand up and fightWatching the death toll rise wondering how I'm alive
Stranger's blood on my hands, shot all I can
There were no silent nights watching your brothers all die
To destroy all their plans with no thought of me (No thought of me)
No thought of me
Ohhhh...
Walk the city lonely, memories that haunt are passing by
A murderer walks your streets tonight
Forgive me for my crimes
Don't forget that I was so young, but so scared

In the name of God and the Country
