

The Party Continues (feat. Da Brat & Usher)

Jermaine Dupri

{Monday, ten fifty three a.m.
JD, it's me
Call me, man
Havin' all them parties, us cats down here think y'all on vacation, man
Stop doin', man} Come on
See, I been lookin' at the game, ya know?
And I see it ain't too many y'all
That can make 'em dance like I do
You say, you wanna dance, say you wanna get down
The thing what's funny is
Y'all got the nerve to wanna P.H.D. me
'Cuz I'm making all the money
While y'all ride matchbox, I push the hot wheels
Don Chi Chi with the mass appeal
Lettin' champagne spills on my house in the grill
And all I'm about is the dolla' dolla' bill
Makin' ya dance every chance I get
And hata's sayin' damn, will he ever catch bricks?
Nah, I don't catch those, keep it ghetto
Stayin' wit' the best hoes, on the east and the west coast
What? Now, e'where I pass
They wanna see the big booty mamma
Tapping some ass
And whether you believe it or not
You see us, so so def make y'all true believers
My whole entourage keep it top notch
Evidently, we push V's from Bentleys to drops
Got big things, baby
I'm still greedy to my enemies
I hope you keep on envying me
Yeah
Whatcha you wanna do, huh?
Say you wanna get down, huh?
Whatcha you wanna do, huh?
Say you wanna get down, huh?
All we wanna do
Say what, say what?
Is party
With you Who dat?
She the one who love drama?
Keep it heated stay undefeated from the chi comma Illinois
My crew make more noise than yours

Fifteen a night on tour, make 'em sick with no cure
 As she sits by the bar she sips cristies
 In the midst of the party they bump hits by JD
 The B R A T, we the element
 And you irrelevant
 Get down off this shit I don't pay attention to ya' hatin' and ya' bad looks
 Just think about gettin' paper like Garth Brooks
 Keep it off the Let the world feel the touch
 Y'all doing too much, sayin' ya oughta see us
 It's like this here
 I rock the party with Cartier wrist wear
 In the six, pretty bitches with the long hair
 And I got lots of dough, lots in store
 C to the E OWhatcha you wanna do, huh?
 Say you wanna get down, huh?

 So phat now call me Professor Clump

 And I ain't gotta lie about the girls I toss, you know? Betta' ask ya' lil' man's where his dough
