

# Body (feat. Jeremih)

Dreezy

Yo body on my body baby  
Im about to catch a body in here baby  
I love the way you grind on me  
Said im about to catch a body in here baby  
It's going down  
Im about to catch a body  
Oh yeah oh yeah, don't stop it now  
Im about to catch a body Keep it a hunnid boy I know that you want it  
Another round won't remember in the morning  
Got on your shirt, put in that work  
Until you clock out  
Mike Tyson boy you know I got that knock out  
Take a dive inside this liquor  
Got me pulling on your zipper  
He wanna hit a lick, I got my legs up like a stick up  
I woke up in my glory  
Keep a K with me like Kourtney  
Since a shorty I been popping like a forty End of story baby  
Your body on my body baby  
i'm about to catch a body in here baby  
love the way you grind on me  
said i'm about to cath a body in here baby  
oh yea oh yea it's going down  
i'm about to catch a body  
oh yea oh yea no stoppi'n now  
i'm about to catch a body You work that thang like a nine to five  
Clock in to work and put in over time  
I pull up on you with that thang through your back  
And beat it up like ra-ta-ta-ta-tat (lock and load it)  
Got a oozy on your booty know you popping  
Clip after clip ain't got no problem with me watching  
Come on outside  
We got all night  
Pull that tick tocking  
Smith and West bout to teach yo ass a lesson  
Start undressing  
Ain't going home baby we could go all night (yeah)  
Drop all yo hoes let me show you ima rider Make the neighbors call the cops  
Still ain't finna stop  
I see these bitches tryna block  
Take another shot  
Bang Bang you look good boy

You could be my main thing  
Rich sex I saw your chain slang im on the same thing  
Might give in if you don't let up  
Im just tryna fuck your bed up  
Talking shit gon' get you hit Boy don't get wet up, it's a set up  
Baby You me and me on you baby  
So tell me what you wanna do baby  
Said everything is up to you baby  
So it's up to you  
This could be your best night  
Get you home for the night  
And do you just right  
Time of your life  
Get you home for the night  
And do you just right This could be your best night  
Get you home for the night  
And do you just right (Ima bout to catch a body in here baby)x4
