

Hey Julie! (feat. Lil Yachty)

KYLE

[Intro: Lil Yachty]

Yeah, Lil Boat

KYLE, and Lil Boat[Chorus: Lil Yachty]

Hey Julie, heard you got that wet, wet, wet

Something for my neck, neck, neck

Hey Julie, heard you got that drip, got that drip

Something for my wrist, for my wrist

Hey Julie

Ooh, hey Julie

[Verse 1: KYLE]

(I got it, I got it, I got it, I got it)

Yeah, hey Julie, heard you got that drip, drip, drip, drip

Yeah, something for my wrist, wrist, wrist, wrist

Paparazzi sound like flick, flick, flick, flick (Flick flick, flick flick)

Nikon, I'm an Icon like Will Smith kid, yeah

Me and Yachty, that's a layup

My old life, hasta luego

Woah, I told spanish mami, vete aqui, woah

Yeah, gold in my mouth, I don't talk cheap (No)

Yeah, these bitches used to make fun of my teeth (Woo)

Now they crusty, AC busted, house 100 degrees, ha

Yo, that's fucked up, but oh well, she's an asshole

Told her no sweat, she can chill in my castle

This shit was so fire, Yachty had to run it back though

'Bout to write a chain off on my tax though

[Chorus: Lil Yachty]

Hey Julie, heard you got that wet, wet, wet

Something for my neck, neck, neck

Hey Julie, heard you got that drip, got that drip

Something for my wrist, for my wrist

Hey Julie

Ooh, hey Julie

Hey Julie

Ooh, hey Julie[Verse 2: Lil Yachty]

I got it, I got it, I got it

Hey Julie, how I act a fool with the jewelry

Ayy, I can read your mind like a story

Julie, why you gotta lie, gotta lie? (Don't lie)

Your little brother think I am so fly

Hey Julie (Yeah), I used to rap about the toolie, that's old me (Yeah)

Now I gotta go and see my jeweler, an oldie (Yeah)

Playin' Sega Genesis like now I put in OT

Ayy (Wait), do you get it, OT Genasis (Yeah)
All these happy raps, SuperDuperBoat invented this (Yeah)
Ayy, I know that you hate this (Yeah)
I'm fuckin' on your mistress (Yeah)
Eat her like a biscuit (Yeah)
Tick, tick, tick, but my rollie don't tock
Young smart black nigga, finna buy some stock[Chorus: Lil Yachty]
Hey Julie, heard you got that wet, wet, wet
Something for my neck, neck, neck
Hey Julie, heard you got that drip, got that drip
Something for my wrist, for my wrist
Hey Julie
Ooh, hey Julie
Hey Julie
Ooh, hey Julie
