

# Bad Medicine

Bon Jovi

[Chorus]

Your love is like bad medicine  
Bad medicine is what I need  
Oh-oh-oh, shake it up, just like bad medicine  
There ain't no doctor that can cure my disease  
(Bad medicine)

[Verse 1]

I ain't got a fever got a permanent disease  
It'll take more than a doctor to prescribe a remedy  
I got lots of money but it isn't what I need  
Gonna take more than a shot to get this poison out of me  
And I got all the symptoms count them, one, two, three

[Pre-Chorus]

First you need, that's what you get for falling in love  
Then you bleed, you get a little but it's never enough  
On your knees, that's what you get for falling in love  
And now this boy's addicted cause your kiss is the drug

[Chorus]

Your love is like bad medicine  
Bad medicine is what I need  
Oh-oh-oh, shake it up, just like bad medicine  
There ain't no doctor that can cure my disease  
(Bad, bad medicine)

[Verse 2]

I don't need no needle to be giving me a thrill  
And I don't need no anesthesia or a nurse to bring a pill  
I got a dirty down addiction, it doesn't leave a track  
I've got a jones for your affection like a monkey on my back  
There ain't no paramedic gonna save this heart attack

[Pre-Chorus]

When you need, that's what you get for falling in love  
Then you bleed, you get a little but it's never enough  
On your knees, that's what you get for falling in love  
Now I'm addicted and your kiss is the drug

[Chorus]

Your love is like bad medicine  
Bad medicine is what I need  
Oh-oh-oh, shake it up, just like bad medicine  
So let's play doctor, baby, cure my disease  
(Bad, bad medicine) That's what I want  
(Bad, bad medicine) That's what I need

[Verse 3]

I need a respirator cause I'm running out of breath  
You're an all night generator wrapped in stockings and a dress  
When you find your medicine you take what you can get  
'Cause if there's something better baby well they haven't found it yet

[Chorus]

Your love is like bad medicine  
Bad medicine is what I need  
Oh-oh-oh, shake it up, just like bad medicine  
There ain't no doctor that can cure my disease  
Bad medicine  
Bad medicine is what I need  
Oh-oh-oh, shake it up, just like bad medicine  
Your love's the potion that can cure my disease  
(Bad, bad medicine)
