

I'm Gonna Be (feat. Clipse)

Donell Jones

Yo whats up boo?
I know we never had a love like this before
But you know, I wanna be that one for you
Yo Tim and Bob, drop that And I'm not the average guy
'Cuz I cherish you and I'm lovin' you baby
I'm tellin' you to single these guys
'Cuz you really got my heart You better hold onto me tight
It's not a dream it's reality
And if you down you got me for life
'Cuz I really love you, girl I'm gonna be
The one that comes home after work and fix your bath water
I'm gonna be
The kinda guy that'll never do you wrong
I'm gonna be
The kinda guy that ain't flippin' out when you with your girls
I'm gonna be
The kinda guy that'll make love through the night Every night I'm treatin' you right
'Cuz our chemistry is a mystery
To everyone lookin' from outside
'Cuz they want what we have When I look right in your eyes
I see your soul and I'm the mate baby
If you down you got me for life
'Cuz I really love you, girl Your smile cuts through like a knife
And what you doin' for the rest of your life
'Cuz I'm thinking of presenting you with a ring Hope you accept this invitation
Everyday will be a celebration
Birthdays, holidays, could feel the same
I'm gonna be
The one that comes home after work and fix your bath water
I'm gonna be
The kinda guy that'll never do you wrong I'm gonna be
The kinda guy that ain't flippin' out when you with your girls
I'm gonna be
The kinda guy that'll make love through the night I'm gonna be
The one that comes home after work and fix your bath water
I'm gonna be
The kinda guy that'll never do you wrong I'm gonna be
The kinda guy that ain't flippin' out when you with your girls
I'm gonna be
The kinda guy that'll make love through the night Through the night
(Through the night)
When love feels right

I really love you can't get enough of you
Want you in my life, oh, girl You a star and sky so bright
You won't regret it match mate in heaven
Girl, whatever you want me to be I'm gonna be
The one that comes home after work and fix your bath water
I'm gonna be
The kinda guy that'll never do you wrong I'm gonna be
The kinda guy that ain't flippin' out when you with your girls
I'm gonna be
The kinda guy that'll make love through the night I'm gonna be
The one that comes home after work and fix your bath water
I'm gonna be
The kinda guy that'll never do you wrong I'm gonna be
The kinda guy that ain't flippin' out when you with your girls
I'm gonna be
The kinda guy that'll make love through the night Your smile cuts through like a knife
And what you doin' for the rest of your life
'Cuz I'm thinking of presenting you with a ring Hope you accept this invitation
Everyday will be a celebration
Birthdays, holidays, could feel the same I'm gonna be
The one that comes home after work and fix your bath water
I'm gonna be
The kinda guy that'll never do you wrong I'm gonna be
The kinda guy that ain't flippin' out when you with your girls
I'm gonna be
The kinda guy that'll make love through the night I'm gonna be
The one that comes home after work and fix your bath water
I'm gonna be
The kinda guy that'll never do you wrong I'm gonna be
The kinda guy that ain't flippin' out when you with your girls
I'm gonna be
The kinda guy that'll make love through the night
