Tie Me Down

Gryffin & Elley Duhé

Don't lie

I know you've been thinking it

And two times, you let it slip from your lips

You got too much pride to make any promises

Thinking that we got time

And you wanna keep it in I want you out in the pouring rain

I want you down on your knees

Praying to God that I'll feel the same

I'm right here baby so please

Hold me up, tie me down

"Cause I never wanna leave your side

Swear to never let you down

And it's been eatin' me alive

You can take me home

You can never let me go

Hold me up, hold me up

And tie me, tie me

Down, down (down)

And tie me, tie me

Down, down

And tie me, tie me

Down, down (down)

And tie me, tie me

Down, down

Nine lives until you fall at my feet

Don't hide, you're wasting your energy

You're not shy, so baby it's useless

So don't try, cause you'll end up losing itI want you out in the pouring rain

I want you down on your knees

Praying to God that I'll feel the same

I'm right here baby so pleaseHold me up, tie me down

"Cause I never wanna leave your side

Swear to never let you down

And it's been eatin' me alive

You can take me home

You can never let me go

Hold me up, hold me up

And tie me, tie me

Down, down (down)

And tie me, tie me

Down, down

And tie me, tie me

Down, down (down) And tie me, tie me Down, downSo wrap your arms around my chest And I'll put my hands around your neck 'Cause nobody waste this waiting game You push and you pull, but you should stay StayHold me up, tie me down 'Cause I never wanna leave your side Swear to never let you down And it's been eatin' me alive You can take me home You can never let me go Hold me up, hold me up And tie me, tie me Down, down (down) And tie me, tie me Down, down And tie me, tie me Down, down (down) And tie me, tie me Down, down
