## The Whispers

You say you love me lady, girl, I hope you do  
Only you can save me, my life equals you  
Kiss me, drive me crazy, would you do that for me lady?(Lady)  
You say you want my babies, girl, if that's a fact  
(Lady)  
Then melt into me lady as though we were wax  
Erase all my maybes, would you do that for me lady?Ohh, your body's designed by the wisdom  
of time  
And I couldn't live without you, I'd be losing my mind, ohh  
You're the answer to the prayers and just like fresh air  
You keep me alive, you cannot be spared  
(Lady)  
I love you, oh, I love you, I said I love you lady  
(Lady)  
And no power on this earth can keep us apart  
You're engraved in my heart, do you hear me pretty lady  
I want you to hear every word I sayOhh, your body's designed by the wisdom of time  
And I couldn't live without you, I'd be losing my mind, ohh  
You're the answer to the prayers and just like fresh air  
You keep me alive, you cannot be sparedDon't you ever go nowhere  
(Lady)  
You see I love you lady, really, really love you girl
