

How Do You Do?

Hot Chip

(Chorus)

How do you do it?

You make me want to live again

How do you do it?

You make me want to live again When you wake me in the morning

That is my favorite thing

The party is so warming

As a strikes a chord upon my skin

Now you sing in the evening

With the voice that's bouncing like a spring

A heart is not for breaking

It's for beating out all the life it needs to begin

It's for beating out all the life it needs to begin

(Chorus)

Have we taken all we're good for?

Have we registered our love in vain

A church is not for praying

It's for celebrating the life that bleeds through the pain

It's for celebrating the life that shines through your veins (Chorus) If you won't answer you sure
are ours
