

# Fam 1st (feat. Jadakiss & Sheek Louch)

## Berner & Styles P

Money, women and weed  
Lick it, you're in your V's  
Come and party with G's  
Become a part of this thing  
What's the thing make the plan work?  
What's the plan? Keep the fam first  
Money, women and weed  
Lick it, you're in your V's  
Come and party with G's  
Become a part of this thing  
What's the thing make the plan work?  
What's the plan? Keep the fam first  
If you ask me you should get your mouth wide (shut)  
Use it inside and talking to the outsiders  
Provider and a earner  
Lot of different styles, plus he stay with the Berner  
Makes the cookies with the haze  
We should sneak a game  
Like use a rookie with the J's  
Road trip, LA to Oakland  
All we doin' is fillin' up the tank and we smoke it  
And pot ruin all your lokin'  
Either way your appreciation is unspoken  
We move around like a carousel  
These particular vibes are unparalleled  
Dummy, vibes cartel smoke like I'm a rockstar  
Drink, then I see it clearer, look a the impostor  
Fresh out the federal, my nigga is home  
Triflin' though, he got my homie baby mamas in his phone  
Yeah, I don't want beef but I'm no chump  
And I ain't with the politics either but fuck Trump  
Bump-bu-bu-bu-bump  
Yeah, that's that Berner repeat  
Sheek and Jada, bitches be like "OMG"  
Who the fuck I am?  
I been in this game, if you don't know, Shazam  
This gangsta shit  
Fuck your society nigga, I ain't supposed to fit  
I'm pretty nice on the mic, that's the most of it  
Let's make a toast to this  
Let the mimosa hit  
Purple punch and the clementine

Get knocked with the wurp  
 There's no one to identify  
 Mob, you a friend of mine  
 Now we acquaintances  
 You can let a hundred fly  
 Depending how link it is  
 It's smooth like furniture  
 I was on the plane, get the food saved for when I land  
 When you was out turnin' up  
 Four million my playstation, vacation burnin' up  
 Back to the studio, maybe 'cause I'm studios  
 Young niggas is dubious  
 Me I like the doobie, 'cause I doobin' in the spa  
 When niggas gon' let the shooter in  
 You can play your hand first  
 All I know is fam first  
 I'ma get a couple drinks but light a couple grams first And let the ice hash bubble up  
 And fuck your double cup I'm tryna fill a couple trucks  
 I want a gram and I ain't wanna touch  
 Yeah the coke so dumb the whole area numb  
 I just buried two mill and bought me a new gun  
 I put five in the air, sent the rest on the ground  
 Tell these fake drug dealers, stop taking the sound  
 Least i fly shit  
 I just wanna get high and celebrate as soon as it arrives  
 9:00 AM flight, I'm on a plane a hunnid grand  
 I only rock with my fam  
 Fuck all these random hands out Money, women and weed  
 Lick it, you're in your V's  
 Come and party with G's  
 Become a part of this thing  
 What's the thing make the plan work?  
 What's the plan? Keep the fam first  
 Money, women and weed  
 Lick it, you're in your V's  
 Come and party with G's  
 Become a part of this thing  
 What's the thing make the plan work?  
 What's the plan? Keep the fam first Money, women and weed  
 Lick it, you're in your V's  
 Come and party with G's  
 Become a part of this thing  
 Money, women and weed  
 Lick it, you're in your V's  
 Come and party with G's  
 Become a part of this thing  
 What's the thing make the plan work?  
 What's the plan? Keep the fam first
