

# Teen Idle

## Marina and The Diamonds

I wanna be a bottle blonde  
I don't know why but I feel conned  
I wanna be an idle teen  
I wish I hadn't been so clean  
I wanna stay inside all day  
I want the world to go away  
I want blood, guts and chocolate cake  
I wanna be a real fake Yeah, I wish I'd been a  
Wish I'd been a teen, teen idle  
Wish I'd been a prom queen, fighting for the title  
Instead of being sixteen and burning up a bible  
Feeling super, super (super!) suicidal  
The wasted years, the wasted youth  
The pretty lies, the ugly truth  
And the day has come where I have died  
Only to find I've come alive  
I wanna be a virgin pure  
A 21st century whore  
I want back my virginity  
So I can feel infinity  
I wanna drink until I ache  
I wanna make a big mistake  
I want blood, guts and angel cake  
I'm gonna puke it anyway Yeah, I wish I'd been a  
Wish I'd been a teen, teen idle  
Wish I'd been a prom queen, fighting for the title  
Instead of being sixteen and burning up a bible  
Feeling super, super (super!) suicidal  
The wasted years, the wasted youth  
The pretty lies, the ugly truth  
And the day has come where I have died  
Only to find I've come alive  
I wish I wasn't such a narcissist  
I wish I didn't really kiss the mirror when I'm on my own  
Oh God, I'm gonna die alone!  
Adolescence didn't make sense  
A little loss of innocence  
The ugly years of being a fool  
Ain't youth meant to be beautiful? Yeah, I wish I'd been a  
Wish I'd been a teen, teen idle  
Wish I'd been a prom queen, fighting for the title  
Instead of being sixteen and burning up a bible

Feeling super, super (super!) suicidal  
The wasted years, the wasted youth  
The pretty lies, the ugly truth  
And the day has come where I have died  
Only to find I've come alive Only to find I've come alive  
Only to find I've come alive Come alive Feeling super, super, super!  
Feeling super, super, super!  
Feeling super, super, super! Come alive
