

# 0 To 100 / The Catch Up

## Drake

Fuck being on some chill shit  
We go 0 to a 100 nigga, real quick  
They be on that rap to pay the bill shit  
And I don't feel that shit, not even a little bit  
Oh Lord, know yourself, know your worth nigga  
My actions been louder than my words nigga  
How you so high but still so down to Earth, nigga  
If niggas wanna do it, we can do it on they turf nigga  
Oh Lord, I'm the rookie and the vet  
Shoutout to the bitches out here holdin' down the set  
All up in my phone, lookin' at pictures from the other night  
She gon' be upset if she keep scrollin' to the left, dawg  
She gon' see some shit that she don't wanna see  
She ain't ready for it  
If I ain't the greatest then I'm headed for it  
Yeah, that mean I'm way up  
Yeah, the 6 ain't friendly but it's where I lay up  
This shit a mothafuckin' lay up  
I been Steph Curry with the shot  
Been cookin' with the sauce, Chef Curry with the pot, boy  
360 with the wrist, boy  
Who the fuck them niggas is, boy?  
OVO, man we really with the shits, boy  
Yeah, really with the shits  
I should prolly sign a Hit-Boy cause I got all the hits, boy  
Fuck all that "Drake you gotta chill" shit  
I be on my Lil Mouse drill shit  
Fuck all that rap to pay your bill shit  
Yeah, I'm on some Raptors pay my bills shit  
All up on TV, I thought it'd make me richer  
Wasn't payin' me enough, I needed somethin' quicker  
So now I'm all in Niko's basement puttin' work in on the phones  
Either that or drive to money mart to make the pickups  
Man it's 2008, I'm tryna paint the picture  
Comeback Season in the works and now I'm thinkin' bigger  
I got 40 in the studio, every night, late night  
Gotta watch that shit, don't want to make him sicker  
That's my nigga  
Oh Lord, got a whole lot to show for it  
I mean we can really get it we can go for it  
I'm just here for the bucks and the billi's, nigga  
Don't make me kill one of the GOAT's for it

Ugh, I run this shit, they like "Go Forrest  
Run Forrest, run Forrest, go Forrest"  
Yeah, I mean you already wrote for us  
Damn, nigga, what's one more quote for us?  
Oh Lord, who else soundin' like this?  
They ain't make me what I am, they just found me like this  
I was ready... fuck that, I've been ready  
Since my dad used to tell me he was comin' to the house to get me  
He ain't show  
Valuable lesson, man I had to grow up  
That's why I never ask for help  
I'll do it for you niggas and do it for myself  
I go 0 to 100, nigga, real quick  
Real quick, whole squad on that real shit  
0 to 100, nigga, real quick  
Real quick, real fuckin' quick, nigga  
0 to 100, nigga, real quick  
Real quick, whole squad on that real shit  
0 to 100, nigga, real quick  
Real quick, real fuckin' quick, nigga Whole squad on that real shit  
Whole squad on that real shit  
Whole squad on that real shit  
Yeah, the other night, Lavish Lee told me that I'm all these people listen to  
She said they love me unconditional  
Imagine how it feel to watch another nigga at the top  
You know that if it wasn't you, you would be dissin' you, dawg  
Damn, okay, from that perspective  
I see what you talkin' 'bout, no way to soften that  
Cause me, I was tryna find out where I lost 'em at  
But maybe I ain't lose 'em at all  
Maybe I keep movin' forward and they're just stagnant, they ain't movin' at all  
But when they need a favor, who do they call?  
Maybe I'm searchin' for the problems, askin' what was said and who was involved  
Too focused on people's feedback and provin' 'em wrong  
They say the shoe can always fit, no matter whose foot it's on  
These days feel like I'm squeezin' in 'em  
Whoever wore 'em before just wasn't thinkin' big enough  
I'm 'bout to leave 'em with 'em  
Cause if I run in the game in these, man the seams are splittin'  
No pun intended but they smellin' defeat in the air  
Headed where nobody took it, who meetin' me there?  
They tell him that he talkin' crazy but he doesn't care  
Bein' humble don't work as well as bein' aware  
Listen up, boy, you better off eavesdroppin'  
We already got spring 2015 poppin'  
PND droppin', Reps-up P droppin'  
Magic Jordan droppin', OB droppin', not to mention me droppin'  
Feel like we paid the refs off, man we fixed the game  
Yeah, been on the move like the lease is up

And I can't even name one person that's keepin' up  
Damn, fuck how I was in the past tense  
Ask yourself, how do we match up now?  
Cause I'm only 27 and I'm only gettin' better  
If I haven't passed you yet, watch me catch up now, for real
