

28 Thousand Days

Alicia Keys

Uh, yeah
Uh,
Blood in my eye, hand on my heart
Feet on the ground, head to the sky
'Cause trouble ain't no friend of mine
I'm not giving it up, no more wasting time If you had 28 thousand days
Who would you love?
Where would you go?
What would you celebrate?
I'm telling you that life's too short to just throw it away
So have the time of your life,
So have the time of your life
Hey, ey, ey
Hey, ey, ey
Hey, ey, ey
Back from hell with my angel wings
Ain't no fear in my voice
'Cause I'm making a choice
The devil ain't no friend of me,
and that clock on the wall, yeah it's telling me There's only 28 thousand days
Who would you love?
Where would you go?
What would you celebrate?
I'm telling you that life's too short to just throw it away
So have the time of your life,
So have the time of your life
Hey, ey, ey
Hey, ey, ey Hey, ey, ey
Hey, ey, ey
Hey, ey, ey
There's only 28 thousand days
Who would you love?
Where would you go?
What would you celebrate?
I'm telling you that life's too short to just throw it away
So have the time of your life,
So have the time of your life
Hey, ey, ey
Hey, ey, ey Hey, ey, ey
Hey, ey, ey
Hey, ey, ey
