

With a Spirit

009 Sound System

You can be
Whatever u want
When you're high
Walk slowly
With a spirit by your side
(Oh baby)
Don't fear if u lose your mind
Say how u doin' boy I'm feelin' fine
... when somethin' carries me away... hey hey hey hey...Don't think
Just take a ride
Don't believe
That jesu lied
To keep us all so satisfied
With a sale
U should know babyDon't feel
The thorny nights
Never ask
For holy rites
Don't ya thinkThat god has died
This timeAnd don't stop
Takin' these drugs cuz' theyGot u flyin' forgettin' yesterday
Maybe it's crazy but keep gettin' stoned while u canBaby in the lord's handsYou can be
Whatever u wantWhen you're high
Walk slowly
With a spirit by your side
(Oh baby)
Don't fear if u lose your mind
Say how u doin' boy I'm feelin' fine... when somethin' carries me away... hey hey hey hey...
Don't say
U know what's right
Don't take
Those alibis
Don't hate
The other side
When they're right
Sure they are baby
Don't wave
Your flag up high
Don't praise
Your concubines
Did u just
Fall for lies

This time
And don't stop
Takin' these drugs cuz' they
Got u flyin' forgettin' yesterday
Maybe it's crazy but keep gettin' stoned while u can
Baby in the lord's hands
You can be
Whatever u want
When you're high
Walk slowly
With a spirit by your side
(Oh baby)
Don't fear if u lose your mind
Say how u doin' boy I'm feelin' fine
... when somethin' carries me away... hey hey hey hey...
(Oh Oh Oh - Oh Oh)
(Oh Oh Oh - Oh Oh Oh)
(Oh Oh Oh)
(Oh Oh Oh - Oh Oh)
(Oh Oh Oh - Oh Oh Oh)
(Oh Oh Oh)
And don't stop
Takin' these drugs cuz' they
Got u flyin' forgettin' yesterday
Maybe it's crazy but keep gettin' stoned while u can
Baby in the lord's hands
You can be
Whatever u want
When you're high
Walk slowly
With a spirit by your side
(Oh baby)
Don't fear if u lose your mind
Say how u doin' boy I'm feelin' fine
... when somethin' carries me away... hey hey hey hey...
