

# Hello

## Kelly Clarkson

[Verse 1]

Yeah, as I stumble into the night  
We're touching, but I feel like you are still out of reach  
The people here are buzzin' like a bug on a light  
I'm feelin' like I always see them, but they can't see me  
Sentimental feelings  
Never get me anywhere  
My heart continues beating  
Is there anybody, anybody?

[Chorus]

Hello, hello  
Is anybody listening?  
Let go, as everyone lets go of me  
Oh-oh, won't somebody show me that I'm not alone, not alone?  
No, oh

[Verse 2]

Yeah, I'm combing through this desert of stone  
These faces on these statues that I used to know  
Wishin' I was more than what my story has told  
Or hoping that I'm dreamin' in the day and this isn't happening  
Gotta keep it all together  
Longing for a hand to hold  
Keep clear of the shadows  
Is there anybody, anybody?

[Chorus]

Hello, hello  
Is anybody listening?  
Let go, as everyone lets go of me  
Oh-oh, won't somebody show me that I'm not alone, not alone?  
No, oh

[Bridge]

Holding on to the memories of when I, I didn't know  
Ignorance isn't wise, but it beats being alone  
Yeah  
Ooh, yeah

[Chorus]  
Hello  
Is anybody listening? (Hello)  
Let go, as everyone lets go of me  
Oh-oh, won't somebody show me that I'm not alone, not alone? (Won't somebody, won't  
somebody?)  
Hello  
Is anybody listening?  
Let go, as everyone lets go of me  
Oh-oh, won't somebody show me that I'm not alone, not alone? (Show me that I'm not alone)  
No, oh
