

# What Ifs (feat. Lauren Alaina)

Kane Brown

You say what if I hurt you  
What if I leave you  
What if I find somebody else  
And I don't need you  
What if this goes south  
What if I mess you up  
You say what if I break out  
In two then what  
Well I hear you girl  
I feel you girl but not so fast  
Before you make your mind up  
I gotta ask  
What if I was made for you  
And you were made for me  
What if this is it  
What if it's meant to be  
What if I ain't one of them  
Fools just Playin' some game  
What if I just pulled you close  
What if I leaned in  
And the stars line up  
And it's our last first kiss  
What if one of these days baby  
I'd go and change your name  
What if  
I loved all these what ifs away  
What if the sky falls  
(sky falls)  
Or the sun stops burning  
We could worry about them  
What ifs 'til the world stops turnin'  
Or I could kiss you  
What if you liked it  
(bet I'd like it)  
Well we ain't  
Never gonna know unless we try it  
What if I was made for you  
And you were made for me  
What if this is it  
What if it's meant to be  
What if I ain't one of them  
Fools just Playin' some game  
What if I just pulled you close

What if I leaned in  
And the stars line up  
And it's our last first kiss  
What if one of these days baby  
I'd go and change your name  
What if I loved all  
These what ifs away Awe yeah  
C'mon You say what if I hurt you  
What if I leave you  
What if I find somebody else and  
I don't need you  
Damn What if I was made for you  
And you were made for me  
What if this is it  
What if it's meant to be What if I ain't one of them  
Fools just Playin' some game  
Yeah  
What if I just pulled you close  
What if I leaned in  
And the stars line up and  
It's our last first kiss  
What if one of these days baby  
I'd go and change your name  
What if I loved all these  
What is away Away  
(away)  
What if?
