

Just a Kiss

Lady Antebellum

[Verse 1]

Lyin' here with you so close to me
It's hard to fight these feelings when it feels so hard to breathe
I'm caught up in this moment
I'm caught up in your smile

[Verse 2]

I've never opened up to anyone
So hard to hold back when I'm holding you in my arms
But we don't need to rush this
Let's just take it slow

[Chorus]

Just a kiss on your lips in the moonlight
Just a touch in the fire burning so bright
No, I don't wanna mess this thing up
No, I don't wanna push too far
Just a shot in the dark that you just might
Be the one I've been waiting for my whole life
So baby, I'm alright, with just a kiss goodnight

[Verse 3]

I know that if we give this a little time
It'll only bring us closer to the love we wanna find
It's never felt so real, no, it's never felt so right

[Chorus]

Just a kiss on your lips in the moonlight
Just a touch in the fire burning so bright
No, I don't wanna mess this thing up
No, I don't wanna push too far
Just a shot in the dark that you just might
Be the one I've been waiting for my whole life
So baby, I'm alright, with just a kiss goodnight

[Bridge]

No, I don't wanna say goodnight
I know it's time to leave
But you'll be in my dreams
Tonight

Tonight
Tonight

[Chorus]

Just a kiss on your lips in the moonlight
Just a touch in the fire burning so bright
No, I don't wanna mess this thing up
No, I don't wanna push too far
Just a shot in the dark that you just might
Be the one I've been waiting for my whole life
So baby, I'm alright, oh
Let's do this right, with just a kiss goodnight

[Outro]

With a kiss goodnight
Kiss goodnight
