

# All of a Sudden (feat. Moneybagg Yo)

## Lil Baby

Ugh ugh ugh  
Fed shit  
Ayy, gangster shit only nigga  
Lil Baby what's poppin'?  
DMac got me too bangin'  
All four of my pockets full now I can't be totin' no handguns (Glock) Unless that bitch come  
with a thirty (with a thirty)  
I can't be fuckin' these dog hoes  
Unless that bitch come with a buddy (with a friend)  
I can't be drivin' no regular cars (skrt)  
That bitch gotta come with a button (a button)  
I was broke like a while back  
Now I'm up all of a sudden  
I can't be rappin' for free,  
they gotta send me the budget (send me that)  
I can't be fuckin' these hoes raw,  
I had to slip on a rubber (slip in that)  
I can't be rockin' no plain jane, both of my watches be flooded  
I can't be drinkin' on regular soda, all of my cups be muddy  
I just came home with nothin' (woo)  
Now I'm up all of a sudden (hey)  
Now I'm up all of a sudden (hey)  
Now I'm up all of a sudden (hey, hey)  
1: Lil Baby]  
Moneybagg, Moneybagg (fuck with it)  
I'm in the booth with a money bag  
Here go the bricks, where the money at?  
Give me a load, I ain't comin' back  
I make 'em shoot where your stomach at  
We gon' pull up where your mama at  
Runnin' through hoes like a running back  
We can fuck but you can't call this number back  
If you knew better, baby you'd do better  
I got plenty hoes, call me Hugh Hefner  
I'm with MoneyBagg, we went four federal  
Four Pockets, Bread Gang, who better?  
I can't be totin' no handguns  
Unless that bitch come with a thirty  
I can't be fuckin' these dog hoes  
Unless that bitch come with a buddy  
I can't be drivin' no regular cars  
That bitch gotta come with a button

I was broke like a while back  
 Now I'm up all of the sudden  
 I can't be rappin' for free, they gotta send me the budget  
 I can't be fuckin' these hoes raw, I had to slip on a rubber  
 I can't be rockin' no plain jane, both of my watches be flooded  
 I can't be drinkin' on regular soda, all of my cups be muddy  
 If I said fuck you I meant that  
 I'm whippin' this coupe, I ain't rent that  
 The shit that you savin', I spent that  
 And if you want smoke you can get that  
 I just want proof of the backend  
 Any time I fuck her I hit from the back end  
 I'm pullin' her hair while I dig in her  
 She like hold up baby, keep my tracts in  
 I can't hit that bitch raw, got a glove on me  
 I'm in the trap with the drugs one me  
 I just went bonkers all up, exclusive gang  
 Fly as fuck like a dove on me  
 Diamonds wet like a tub on me  
 Hurricane Harvey, flood on me  
 Left the spot with a dub on me  
 Walk in the spot, bitches tug on me  
 I can't be totin' no handguns  
 Unless that bitch come with a thirty  
 I can't be fuckin' these dog hoes  
 Unless that bitch come with a buddy  
 I can't be drivin' no regular cars  
 That bitch gotta come with a button  
 I was broke like a while back  
 Now I'm up all of the sudden  
 I can't be rappin' for free, they gotta send me the budget  
 I can't be fuckin' these hoes raw, I had to slip on a rubber  
 I can't be rockin' no plain jane, both of my watches be flooded  
 I can't be drinkin' on regular soda, all of my kush be muddy  
 I just came home with nothin'  
 Now I'm up all of the sudden  
 Hey, now I'm up all of the sudden, hey  
 Now I'm up all of the sudden  
 I just came home with nothin'  
 Now I'm up all of the sudden  
 Hey, now I'm up all of the sudden, hey  
 Now I'm up all of the sudden
