

Heartbeat

Stereo Skyline

So baby keep my heart beat b'beat beat beating
And the soul reason I keep believing
That we're going to die like this you know, oh oh oh(a'beat beat b'beat beat beating x2)Hey hey
Beautiful the sunshine shines oh oh so bright, alright
Lay back
I'll spend the night just staring at youFor every grain of sand, that you drew me pictures in
There was one for every time that my- my heart dropped againSo baby keep my heart beat
b'beat beat beating
And the soul reason I keep believing
That we're going to die like this you know, oh oh oh
(heart beat b'beat beat beating)Close your eyes don't say a word
Your way too beautiful you heard
The way- the way my heart keeps beating (beating)For every grain of sand, that you drew me
pictures in
There was one for every time that my- my heart dropped againSo baby keep my heart beat
b'beat beat beating
And the soul reason I keep believing
That we're going to die like this you know, oh oh ohSo baby keep my heart beat b'beat beat
beating
And the soul reason I keep believing
That we're going to die like this you know, oh oh oh(a'beat beat b'beat beat beating x4)
(So baby keep my heart beat b'beat beat beating)So baby keep my heart beat b'beat beat beating
And the soul reason I keep believing
That we're going to die like this you know, oh oh oh
So baby keep my heart beat b'beat beat beating
(For every grain of sand)
And the soul reason I keep believing
(That you drew me pictures in)
That we're going to die like this you know, oh oh oh
(There was one for every time that my)
