

# One Great Mystery

## Lady Antebellum

[Verse 1]

I don't know how many stars fill the sky  
I know we're here, but I don't know why  
Maybe there's some other life out there  
But as long as you're here with me, baby, I don't really care

[Chorus]

There is only one great mystery  
I keep searchin' for the answer desperately  
Tell me, tell me, baby, tell me please  
What did I ever do to make you fall for me?

[Verse 2]

Don't know what happens when we leave this world  
But I know I'll go right on loving you, girl  
I'll close my eyes and drift off into the blue  
And if I go first, I will wait for you

[Chorus]

There is only one great mystery  
I keep searchin' for the answer desperately  
Tell me, tell me, baby, tell me please  
What did I ever do to make you fall for me?

[Bridge]

I guess I'll never really know  
How I deserve someone that loves me so

[Chorus]

There is only one great mystery  
I keep searchin' for the answer desperately  
Tell me, tell me, baby, tell me please  
What did I ever do to make you fall for me?  
I'll keep asking through eternity  
What did I ever do to make you fall for me?

[Outro]

What did I do, baby?

Ooh, ah
