

# Closet Freak

Cee-Lo

Yeah.. ooh..  
You so freaky..  
You so freaky shorty..  
Ooh you so freaky..  
Shit, you so freaky shorty..  
Uh uh, you so freaky..  
Ooh Lord, you so freaky..  
Mmm uh, you so freaky shorty..  
HAH HAH!!

[Cee-Lo]

Now everybody that's grown got skeleton bones they got hidden away  
Yes y'all there's a freak in us all, yet some choose not to say  
You can't let those who ain't yet, make you they lil' ball of clay  
Be free and express yourself, nastiness comes naturally  
Listen to me now  
It could be the way I wanna freak a song, tattoos, or the way I dress  
Or it could be; I wanna walk my way and refusin to follow the rest  
Or when people haven't been where you been  
And they say you still going too far  
Or when you wit ya girl and  
Pull over and fuck somethin in the back of the car

[Hook]

I'm a freak!  
A closet freak!  
A freak!  
Awww a freak!

[Cee-Lo after each pause in hook]

I'm so excited, y'all all invited  
Oh I'm a freak, yes I'm a freak, and just can't fight it  
I'm so excited, go on and say it  
If you a freak, say you a freak, don't try to fight it

[Cee-Lo]

You got to let the music freak your mind  
Otherwise, it's the blind leadin the blind  
You know a good freakin is hard to find  
Get on the floor mama and bump and grind

Ain't nuttin wrong wit it, if you want it gon' get it  
But it ain't no fun if you just freakin all alone with it  
I'll turn you on to it - if you want you gon' do it  
All you got to do is find somebody like you

[Hook]  
A freak!  
A closet freak!  
A freak!  
Awww a freak!

[Cee-Lo after each pause in hook]  
I'm so excited, go on and say it  
Oh I'm a freak, yes I'm a freak, and just can't hide it  
I'm so excited, go on and say it  
If you a freak, say you a freak  
(Wait a minute, where the God-damn horns?)

{music plays with Cee-Lo vocalizing and singing}

[Cee-Lo]  
La-la-la-la-la-la, la-la-la-la-la
