

# You Can

David Archuleta

Mmmm...Take me where I've never been  
Help me on my feet again.  
Show me that good things  
come to those who wait.  
Tell me I'm not on my own.  
Tell me I won't be alone.  
Tell me what I'm feelin' isn't some mistake.  
'Cause if anyone can make me fall in love, You can.Save me from myself, you can.  
And it's you and no one else.  
If I could wish upon tomorrow  
Tonight would never end.  
If you asked me, I would follow.  
But for now, I just pretend.  
'Cause if anyone can make me fall in love, You can.  
Baby, when you look at me  
Tell me, what do you see?  
Are these the eyes of  
someone you could love?  
'Cause everything that brought me here  
Well, now it all seems so clear.  
Baby, you're the one I've been dreamin' of.  
If anyone can make me fall in love, You can.Save me from myself, you can.  
And it's you and no one else.  
If I could wish upon tomorrow  
Tonight would never end.  
If you asked me, I would follow.  
But for now, I just pretend.  
'Cause if anyone can make me fall in love...  
Only you can take me sailin'  
in your deepest eyes.  
Bring me to my knees and make me cry.  
And no one's ever done this  
Everything was just a lie.  
And I know, yes I know...This is where it all begins  
So tell me it'll never end.  
I can't fool myself  
It's you and no one else.  
If I could wish upon tomorrow  
Tonight would never end.  
If you asked me, I would follow.  
But for now, I just pretend.  
If anyone can make me fall in love, You can.

Show me that good things  
come to those who wait
