

House On Fire

Sia

[Verse 1]

I don't like to wait too long, to wait too long, wait too long
Bring it on and bring it strong, bring it baby
I feel the pain and it feels good, I knew it would
Your heart burns through, I feel the pain and I cry out
I need you, I need you

[Chorus]

Babe, I want to drink you in
Like oxygen, like oxygen
Baby I'm a house on fire
And I want to keep burning
Boy I'm going up in flames
And you're to blame
Yeah, you're to blame
Baby I'm a house on fire
And I want to keep burning
I want to keep burning
I want to keep burning
I want to keep burning
Baby I'm a house on fire
I want to keep burning
I want to keep burning
I want to keep burning
Baby I'm a house on fire

[Verse 2]

So take me to the heavens now
As we burn down, as we are found
Take me to the heavens now
My heart screams out
I need you, I need you

[Chorus]

Babe, I want to drink you in
Like oxygen, like oxygen
Baby I'm a house on fire
And I want to keep burning
Boy I'm going up in flames
And you're to blame

Yeah, you're to blame
Baby I'm a house on fire
And I want to keep burning
I want to keep burning
I want to keep burning
I want to keep burning
Baby I'm a house on fire
I want to keep burning
I want to keep burning
I want to keep burning
Baby I'm a house on fire

[Verse 3]

Love me to the beat of a drum
To the beat of a drum, yeah
Love me, till the walls cave in, yeah
Love me, to the beat of a drum
To the beat of a drum, yeah
Love me, I don't want saving

[Chorus]

Babe, I want to drink you in
Like oxygen, like oxygen
Baby I'm a house on fire
And I want to keep burning
Boy I'm going up in flames
And you're to blame
Yeah, you're to blame
Baby I'm a house on fire
And I want to keep burning
I want to keep burning
I want to keep burning
I want to keep burning
Baby I'm a house on fire
I want to keep burning
I want to keep burning
I want to keep burning
Baby I'm a house on fire
