

# No Regrets (feat. Charlie Wilson)

## Case

Loving you was incredible  
It came so natural to me  
'Cause you were always available  
For every one of my wants and needs  
We always talked about settling down  
Raising a family  
But sometimes in life our plans ain't meant to be, ooh yeahBaby I've tried  
But couldn't say  
What I really did want from you  
Baby and now  
My life, my life hasn't been the same  
No, no, no babe  
Can we give it a chance  
Can we start all over again  
Before we throw it all away, I just need to know  
Here I go around again  
Just won't let it die  
Being wrong or being right  
I just have to try  
Love leads me right back to you  
It never tells me why  
I ain't gonna go through life  
With no regretsNow we can start by makin' apologies  
But saying sorry ain't gonna make it right  
All the spiteful things you done said to me  
'Cause I heard you a million times  
But now I've learned how to express  
What's really on my mind  
So I'm telling you  
I need you in my life  
Baby I've tried  
But couldn't say  
What I really did want from you  
My life, my life hasn't been the same  
Can we give it a chance  
Can we please give it one chance  
Before we throw it all away, I just need to know for sureHere I go around again  
Just won't let it die  
Being wrong or being right  
I just have to try  
Love leads me right back to you  
It never tells me why

I ain't gonna go through life with me, my man  
With no regretsBaby now it's up to you  
'Cause livin' life without  
You just ain't cool, no no no  
So darlin' I want you back  
'Cause I'm a man with no regretsHere I go around again  
Just won't let it die  
Being wrong or being right  
I just have to try  
Love leads me right back to you  
It never tells me why  
I ain't gonna go through life  
With no regretsHere I go around again  
Just won't let it die  
Being wrong or being right  
I just have to try  
Love leads me right back to you  
It never tells me why  
I ain't gonna go through life with me, my man  
With no regrets
