

# Christmas Without You

**Dolly Parton & Kenny Rogers**

Christmas without you  
White Christmas and I'm blue  
Like fireworks with no fuse  
Christmas without you The fireplace keeps burning  
And my thoughts keep turning  
The pages of memories  
Of time spent with you Old Christmas songs we knew  
And used to make love too  
Make it hard to get used to  
Christmas without you Christmas without you  
White Christmas and I'm blue  
I love you, I miss you  
So sad but so true  
Christmas without you  
Like a mystery with no clues  
Like fireworks with no fuse  
Christmas without you The sweetest gift I know  
Would be if the new snow  
Could fall on your footsteps  
On this Christmas Eve The most joyous Christmas  
If luck could be with us  
Would be if Saint Nicholas  
Brought you home to me Christmas without you  
White Christmas and I'm blue  
I love you, I miss you, I need you  
So sad but so true  
Christmas without you  
Like a mystery with no clues  
Like fireworks with no fuse  
Christmas without you Christmas without you  
White Christmas and I'm blue  
I love you, I miss you  
So sad but so true Christmas without you  
I just can't get used to  
I just have no use  
Of Christmas without you You know that I want you  
You know that I need you  
You know that I need you  
You know that I want you  
You know that I want you, I need you, I love you  
Honest I do You know that I want you  
You know that I need you

You know that I need you  
You know that I want you  
And I love you, I want you, I need you  
I do
