

# Heartbeat (feat. Nathan Nicholson)

## Claptone

Now you hang around  
my heartbeat  
my heartbeat  
my hrartbeat  
shoulda known better  
my heartbeat  
shoulda known better  
so I wrote it in a love letter  
S O S  
can't believe you left me in this mess  
SOS  
Can't believe you left me in this mess  
my heartbeat  
shoulda known better  
so I wrote it in a love letter  
my heartbeat  
shoulda known better  
so I wrote it in a love letter  
my heartbeat  
shoulda known better  
so I wrote it in a love letter  
my heartbeat  
shoulda known better  
so I wrote it in a love letter  
my heartbeat  
shoulda known better  
so I wrote it in a love letter  
my heartbeat  
shoulda known better  
so I wrote it in a love letter  
my heartbeat  
shoulda known better  
so I wrote it in a love letter
