

Stir It Up

Joss Stone & Patti LaBelle

Come on
Yeah
Uh-hu-hu-uh I can't sit here while I go nowhere
Chase my dreams through the polluted air
I'm walking on a wire
Running out of time
There's no room in this ol' heart of mine Bill collectors waiting down the hall
Neighbors screaming cracked the bedroom wall
Birds jump off the pavement
Passion hits the streets
Anger's cooking in the city heat The world's too crazy, I can't take no more
I won't stay here locked behind the door
Got to stir it up, oh
Got to break it up now
When I think about tomorrow
Oooh, I can't wait to Stir It Up, oh, yes-ah
Got to shake it up now
With my hardtail rake on borrow
I'm not gonna take it anymore No no, ah ah, uuuh-yeah Hungry minds who stare you in the eyes
Spread it thick and make the biggest lights
Don't say what you're feelin' (Don't say what you're feelin')
Must be hard to get (Oh!)
All those timebombs tickin' in your head So much pressure to keep holdin' on
Pack my clothes up baby I'll be gone
Stir It Up
Got to break it up now
When I think about tomorrow
Oooh, I can't wait to Stir It Up
Got to shake it up now
With my hardtail rake on borrow
I'm not gonna take it no more Oh, no
Do-oh-ohoh-oh-ohoh-oh
Come on
Don't take it, baby
No, no, no
Stir it up
I'm not gonna take it anymore
Say Can't find love because it's trapped inside
I can't find freedom, 'cause it's har to find
Why don't you make some room in this ol' heart of mine? There's so much pressure to keep
holdin' on
Pack my clothes up baby, I'll be gone Stir It Up (oh-hoo)

Got to break it up now (I gotta)
When I think about tomorrow (You know I...)
I can't wait to Stir It Up (I can't wait to)
Got to shake it up now (I can't wait to)
With my hardtail rake on borrow (Stir it up, yeah)
I don't wanna take it no more (Stir it up) Stir it up
Got to break it up now (Gotta stir it up)
When I think about tomorrow (Don't take it Joss)
Oooooo I can't wait to (Can't take it, no) Stir It Up (Don't you take it no more)
Got to shake it up now (Don't you take it no more)
With my hardtail rake on borrow (I'm not gonna take it, no no)
I'm not gonna take it no more (I'm not gonna take it no more)
Yeah, no no no.
