

# Genie in a Bottle

Christina Aguilera

Come on come on  
Um yeah  
Oh... w-o-o... come on come on  
Uh  
I feel like I've been locked up tight for a century of lonely nights  
Waiting for someone to release me  
You're licking your lips and blowing kisses my way but that don't mean I'm gonna give it away  
Baby baby baby  
(baby baby baby)  
Oh... w-h-o-a...  
My body's saying let's go (go)  
Oh... w-h-o-a...  
But my heart is saying no (no)  
If you wanna be with me baby there's a price to pay  
I'm a genie in a bottle  
(genie in a bottle baby) Yeah  
You gotta rub me the right way  
If you wanna be with me  
I can make your wish come true  
You gotta make a big impression  
(oh, yeah)  
Gotta like what you do  
I'm a genie in a bottle baby gotta rub me the right way honey  
I'm a genie in a bottle baby  
Come come come on in let me out  
Music's playing and the lights' down low It's one more dance and then we're good to go  
Waiting for someone who needs me  
Hormones racing at the speed of light but that don't mean it's gotta be tonight (yeah)  
Baby baby baby  
(baby baby baby)  
Oh... w-h-o-a...  
My body's saying let's go  
Oh... w-h-o-a... ooh...  
But my heart is saying no (no)  
(but my heart is saying no)  
If you wanna be with me baby there's a price to pay  
I'm a genie in a bottle  
(I'm a genie in a bottle) You gotta rub me the right way  
If you wanna be with me (woo)  
I can make your wish come true  
Just come and set me free baby and I'll be with you  
I'm a genie in a bottle baby gotta rub me the right way honey

I'm a genie in a bottle baby  
Come come come on in let me out  
I'm a genie in a bottle baby gotta rub me the right way honey  
If you wanna be with me  
(with me with me...)  
I'm a genie in a bottle baby  
Come come come on in let me out  
Oh... w-h-o-a (come on come on)  
My body's saying let's go  
Oh... w-h-o-a... (come on)  
But my heart is saying no (no)  
If you wanna be with me baby there's a price to pay  
I'm a genie in a bottle  
(I'm a genie in a bottle) You gotta rub the right way  
If you wanna be with me  
I can make your wish (woo) come true  
You gotta make a big impression gotta like what you do  
(oh yeah)  
If you wanna be with me baby there's a price to pay  
(uh yeah uh)  
I'm a genie in a bottle  
(genie in a bottle) You gotta rub me the right way  
(rub me the right way) If you wanna be with me  
(if you wanna be with me)  
I can make your wish come true  
Just come and set me free baby and I'll be with you I'm a genie in a bottle baby  
Come come come on in let me out
