

# Chocolate. (feat. Ari Lennox)

Kiana Ledé

[Verse 1: Kiana Ledé]

Ooh yeah

I need a, I need a

Sweet escape

Compliments to your mother, know how to treat a good woman

My holiday

You changed up the weather, makin' everything better

My warm embrace

My cup of holy, lovin' the way you hold me

It's safe to say

That I could do this every day

[Chorus: Kiana Ledé]

So chocolate, craving it

So amazing like it ain't real, mmm

So unassuming, you got me losing it

It ain't fair, no

Don't know how to say what it feels like

All I know is it rains when it feels right

So chocolate, craving it

So amazing that it ain't fair

[Verse 2: Ari Lennox]

Break me off

So hood, I am attached

Come and get this good Kit-Kat

Get lost

In the sauce, got you drownin'

Scuba Steve when you pound it

So pure and soft

Is your skin when I bite it, taste buds is so excited, yeah

So in awe

I just want your hand all on my jaw (Ayy)

[Chorus: Kiana Ledé, Ari Lennox, Both]

So chocolate, craving it

So amazing like it ain't real, mmm (Yeah)

So unassuming, you got me losing it

It ain't fair, no, oh

Don't know how to say what it feels like (No, no)

All I know is it rains when it feels right (I know)

So chocolate, craving it

So amazing that it ain't fair

[Bridge: Kiana Ledé]

You a winner and you hold my token (Yeah, you do)

Got a rhythm I don't wanna lose

It's a language that we use, unspoken

Only wanna have my hands on you

Woah-oh-oh-oh, ayy

Woah-oh-oh-oh

Woah-oh-oh-oh

Woah-oh-oh-oh

[Chorus: Kiana Ledé, Ari Lennox, Both]

So chocolate, craving it

So amazing like it ain't real, mmm (Yeah)

So unassuming, you got me losing it

It ain't fair, oh (It ain't fair, no)

Don't know how to say what it feels like (No, no)

All I know is it rains when it feels right (I know)

So chocolate, craving it

So amazing that it ain't fair
