

# To Be Young (feat. Doja Cat)

Anne-Marie

They tell me I should make a plan for life  
All I'm thinking bout is what to do tonight  
Hundred miles an hour no headlights  
On an open road, oh

We do what we can to dull the pain  
Pinky promise things will stay the same  
Even when I'm old I'll know your name  
Anywhere we go, oh

Dye my hair a million colours  
Dream I'll make a billion dollars  
I swear that day can't come soon enough  
In the meantime, we just

Fall in love, broken heart  
Break the rules, drink too much  
We're all a mess, but I guess  
This is what it feels like to be young  
Take a punch, get back up

Act a fool, give a fuck  
We're are all a mess, but I guess

This is what it feels like to be young

Small town and we're drinking all the liquor

Every night trying to feel something bigger

Hotboxing the car in the winter

We don't wanna go home

And I'll dye my hair a million colours

Dream I'll make a billion dollars

I swear that day can't come soon enough

In the meantime, we just

Fall in love, broken heart

Break the rules, drink too much

We're all a mess, but I guess

This is what it feels like to be young

Take a punch, get back up

Act a fool, give a fuck

We're all a mess, but I guess

This is what it feels like to be young

This can't be real life

Don't even feel high

Maybe if you'll take one with me

Then it'll feel right

Don't want to know what  
Standing still would even feel like  
Wanted to fit in  
When I didn't, now I know  
And I just want freedom  
Can't be lonely  
Heartless, hopeful, stupid, phoney  
Say they love me, but won't show me  
Guess this is how it feels like to be young

Fall in love, broken heart  
Break the rules, drink too much  
We're all a mess, but I guess  
This is what it feels like to be young  
Take a punch, get back up  
Act a fool, give a fuck  
We're all a mess, but I guess  
This is what it feels like to be young

(Ya oh oh ho, ya oh oh ho  
This is what it feels like to be young, be young)

This is what it feels like to be young
