

Middle of the Night

Elley Duhé

[Verse 1]

I saw him in June
Please come to me
Don't bury thoughts that you really want
I fill?you?up
Drink from my?cup
Within me lies what uyou really?want

[Pre-Chorus]

Come, lay me down
'Cause you know this
'Cause you know this love

[Chorus]

In the middle of the night
In the middle of the night
Just call my name
I'm your's to tame
In the middle of the night
In the middle of the night
I'm wide awake
I crave your taste all night long
'Till morning comes
I'm getting what is mine
You gon get yours
In the middle of the night
In the middle of the night

[Verse 2]

These burning flames
These crashing waves
Wash overr me like a hurricane
I captivate
You're hypnotised
Feel powerful
But it's me again

[Pre-Chorus]

Come, lay me down
'Cause I know this

'Cause I know this love

[Chorus]

In the middle of the night
In the middle of the night
Just call my name
I'm yours to tame
In the middle of the night
In the middle of the night
I'm wide awake
I crave your taste all night long
'Till morning comes
I'm getting what is mine
You gon get yours
In the middle of the night
In the middle of the night

[Bridge]

Just call on me
Just call my name
Like you love me

[Chorus]

In the middle of the night
In the middle of the night
Just call my name
I'm your's to tame
In the middle of the night
In the middle of the night
I'm wide awake
I crave your taste all night long
'Till morning comes
I'm getting what is mine
You gon get yours
In the middle of the night
In the middle of the night
