

# Feeling U, Feeling Me (Interlude)

[Alicia Keys](#)

Do you oooooooo, ooooo  
2 hour long conversations  
On the phone  
Can't get you outta my mind  
Baby are you feelin me,  
Feelin you  
Everything you say and  
Everything you do  
Gets me lost in you days at a time  
Tell me are you feelin me,  
Feeling you
