

Trouble

Five Finger Death Punch

I don't look for trouble
Trouble looks for me
That's how it always been
That's how it's gonna be
I'm lookin' down on you
You're lookin' up to me
I've never saw you comin'
You've never saw me
I can't explain who I am Cause there's no excuses
This is who I'm meant to be
There's no regrets, I don't care if you believe
There's no excuses
This is who I choose to be
I don't look for trouble, trouble looks for me!
Raarghhhh!
Does it confuse you?
I fuckin' used you
I got just what I want and what I wanna do
You won't destroy me
You just annoy me
I'm sitting here on top
So fuck your trophy!
I can't explain how I am Cause there's no excuses
This is who I'm meant to be
There's no regrets
I don't care if you believe
There's no excuses
This is who I choose to be
I don't look for trouble
Trouble looks for me Get some!
Cause there's no excuses
This is who I'm meant to be
There's no regrets
I don't care if you believe
There's no excuses
This is who I choose to be
